

Cavaria con Premezzo, 02/11/23

PFAS DECLARATION

Chiaravalli Group SPA hereby confirms that PFAS (Perfluoroalkyl) chemicals are not used in manufacture or incorporated into any product we manufacture or sell except for:

- Polytetrafluoroethylene (PTFE) → used exclusively on Teflon slicer blades

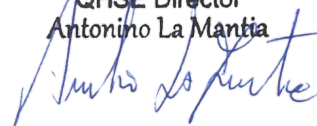

Chiaravalli Group SPA is committed to providing our customers with safe and high quality products. We have partnered with our suppliers, test labs and supply chain partners to ensure they meet current standards for material compliance.

Our priority is to ensure that our products are manufactured in compliance with regulations and safety standards. We remain available for further questions or clarifications. Thank you for your trust.

With best regards

Antonino La Mantia
CHIARAVALLI GROUP SpA.

QHSE Director
Antonino La Mantia

A handwritten signature in blue ink, appearing to read 'Antonino La Mantia', written over the printed name.
