

DECLARATION OF PACKAGING COMPLIANCE WITH REGULATION (EU) 2025/40 – PPWR

Chiaravalli Group S.p.A., being aware of the requirements laid down in Regulation (EU) 2025/40 on packaging and packaging waste (PPWR), applicable from 12 August 2026, based on the information available within its supply chain and on the technical documentation received from its suppliers, hereby declares that the packaging used for its products:

- complies, based on the information and technical documentation available, with the applicable requirements of Article 5 of Regulation (EU) 2025/40 concerning substances present in packaging and packaging components;
- has a total concentration of lead, cadmium, mercury and hexavalent chromium not exceeding 100 mg/kg, as required by Article 5(4) of Regulation (EU) 2025/40;
- are marked with, where applicable, identification codes and/or pictograms relating to the packaging materials, in order to facilitate their correct identification and end-of-life management.

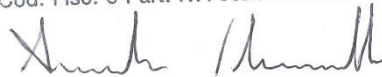

Chiaravalli Group S.p.A. keeps available the information, suppliers' declarations and technical documentation in its possession supporting the verification of compliance with the applicable requirements of Regulation (EU) 2025/40.

This declaration is issued on the basis of the information and documentation available as of the date of issue.
